

Photo Booth vs. Photo Magnets

An event-planning guide for Montreal, Ottawa & Quebec City — Mr. Magnet

Planning a wedding, bar/bat mitzvah, or corporate event and deciding between a traditional photo booth and a photo magnet experience? This guide compares both on the points that actually matter for your guests and your budget.

Quick Comparison

	Traditional Photo Booth	Photo Magnets (Mr. Magnet)
Guest experience	Line up and wait for a turn	Photographer circulates — no line
Keepsake	Paper strip, often discarded	Magnet that stays on the fridge for years
Space needed	Dedicated booth footprint	No structure to set up
Typical price (Montreal)	\$800–\$1,500 / evening	From \$499, unlimited prints
Customization	Same template for everyone	Fully custom design

How Mr. Magnet Works

- 1. Our photographer circulates through your event with professional camera gear.
- 2. Every photo is captured candidly — at the table, on the dance floor, anywhere.
- 3. The shot is printed as a custom photo magnet in under 60 seconds.
- 4. Guests walk away with their keepsake the same night — no limit on prints.

Which Option Fits Your Event?

Weddings — Magnets become a wedding favor guests actually keep and display — a real edge over a forgotten paper strip.

Bar/Bat Mitzvahs — No queue means more time on the dance floor for young guests — our biggest strength since 2019.

Corporate events — Custom-brandable design with your company logo; great for networking without interrupting conversations.
